The above should be expected of every adult and taught to every child and made the human law for all.
If harmers were punished we could have a wonderful world.

Freedom of speech and media safeguards freedom.
Our Constitution and Universal Declaration of Human Rights gives us many Freedoms.
Where they censor speech, information and books they will take away your freedom.

FREEDOM ISN'T FREE, MANY DIED FOR YOURS. We veterans remind you to: Be vigilant and be prepared to fight threats to your freedom. There are many here who are secretly against our way of life. Remember 9-11, Boston massacre, Detroit bomber, Mslm terrorists who nearly cause hundreds of deaths of children and Warren workers in 2026. And over 49,000 Mslm terror attacks since 9-11 worldwide and killing nearly 200 in USA.

And there are the greedy 1% who have excessive wealth dodge taxes, and Corporations who don't pay a living wage. We now have the resources to provide good clothing, food, housing, medical care and education to all citizens..

Before the first entry we acknowledge that there are many Heroes and Volunteers who declined to have their names put in this history because they choose to do good work anonymously. I will call these our Anonymous Heroes. Several of these have put in hundreds of hours doing good work in our community. We give them our thanks and gratitude for their wonderful works.

Sister Monica taught my dad (Joe O'Lear) in elementary school in the 30s. I believe it was her first assignment. She would visit her family in Center Line almost every summer. I can remember going over to the convent to visit with her. I was so impressed by her as a young girl I took her name for my confirmation name. She was

a great artist and sculpturer. She has some of her work on display at Notre Dame. Last time I saw her was early 2000's. She wanted to go to lunch at Big Boys! Wonderful person. RIP 2000's. She wanted to go to lunch at Big Boys! Wonderful person. RIP

Hanselman David Mayor City of Center Line, MI

Hanselman David provided employment so many persons in his tire business, did years of service to the community through the Lions club, served his community as a Center Line City Councilman and Mayor. Personally helped many persons. Hanselman David working for the betterment of the community as councilman since 1981 and on library board. Helped in the Center Line Bicentennial Led campaign to bring back our old fire truck. Active Christian leader. Became mayor of Center Line in 2009 –2015

Hanselman Dorothea Busch High School 1951

Hanselman, David There are those few people one meets that are extraordinary. David Hanselman is one of those. He is a

self made man. He started fairly poor in Center Line and became through hard work and brains a fairly well off person, accomplished businessman and diplomat. He served the community for many years in the service clubs he belonged to. He helped others many times. He served the community as a city councilman starting in 1981, mayor pro-tem and Mayor 2009-2015. It appears that he is well liked by all. I can say these things because I have witnessed them.

He died Saug 22, 2015 of cancer at age 72. He had saved the old Center Line Fire truck a few years earlier and it was used to carry his coffin from the Ford Funeral Home to the Center Line city Hall to the Woodside (Formerly Redeemer) Baptist Church on Hoover and North of 11 Mile. He had been Mayor for six years. At the Ford Funeral home there were police honor guards that changed every hour. I may be an understatement to say that this man was well liked. This historian has had many contacts with him in the last nearly 70 years. We went to the same as children (Redeemer Baptist). I can report that David Hanselman treated others as he would want to be treated himself, with respect and consideration. On issues he was a real dipolmat yet

could be firm. He stood up against the bibycle lanes the federal government wanted pit in on Van dyke.

Here is the official Obituary from the Macomb Daily: Hanselman, David William, age 72, died peacefully surrounded by family at home in Center Line, Michigan on August 22, 2015 on the street of his birth. Mr. Hanselman was born on September 11, 1942 to Jacob and Louise Hanselman; he was the sixth of seven children. A proud Center Line resident for over 60 years, and a 1960 graduate of Center Line High School, Mr. Hanselman was Mayor of the City of Center Line since 2009 before which he served as councilman for 28 years. He served on many city commissions including Beautification, Housing, Library, Parks and Recreation, Zoning, Planning, and Downtown Development, most recently as chair of the South Macomb Disposal Authority and head of the Selective Services for Warren and Center Line. He served in Lions Club, Rotary Club, Center Line Schools Foundation, Parents' Congress President and Board member for Macomb Christian Schools, and honorary member of the Southeast Michigan Indians. He was a

delegate for the State of Michigan Republican Party. Mr. Hanselman owned Royal Oak Tire in Royal Oak, Michigan for more than 25 years. Mr. Hanselman is survived by his faithful wife of 51 years, Katheleen (Cole); his children, David S. Hanselman (Kelly Cobb Hanselman), Mark A. Hanselman (Meridith Prost Hanselman), and John J. Hanselman; grandchildren, Megan, Luke, Grace, and Mackenzie (Mac); siblings, Dorothea Rafinski (Norman), Daniel Hanselman (Marguerite), John S. Hanselman (Jamie). He was predeceased by siblings, Ernest, Jacob, and Ilse (Abraham). Special thanks to Dr. Mandip Atwal, a dear friend, and care providers at McLaren Macomb Hospital and McLaren Hospice. Visitation Thursday, August 27, 2015 and Friday, August 28, 2015 from 2-8 p.m., at the Ford Funeral Home, 26560 Van Dyke (S. of 11 Mile Rd. or the I-696 expressway), Center Line. Instate Saturday, August 29, 2015 from 9 a.m. until time of Funeral Service 10 a.m. at Woodside Bible Church of Warren (Hoover Rd./North of 11 Mile Rd.). Interment Cadillac Memorial Gardens- East, Clinton Township. Contributions may be made to the Friends of the Firetruck c/o City of Center Line, and the Center Line Lions Club. Hanselman, Kathy This lady is a friendly compassionate person who has done many good things. She is active in Redeemer Church. She maintains a matriculate, clean house. Perhaps her main job is the First Lady of Center Line being wife and support for the mayor. She helps others. I can say that as I have been a helpee. (one who got helped)

Hanson, Mal Technical Staff Sergeant World War Two. (then) From Feb 13, 1943 when I requested immediate induction and was sent to Fort Custer Mi until I received my "ruptured duck" (a discharge emblem) at fort Sheridan, IL with a few stops in between. I was clear headed the morning they gave us tests and did well. Many others had partied just before coming and were

not. I was told I qualified for either the air force or the army engineers and I said it did not matter. The first train out took me to fort Belvoir, VA where I had 13 weeks of combat engineer training. Upon “graduating” my whole platoon was being sent overseas except for myself and one other. I felt bad at being left out. We were sent to HQ's and soon assigned to a new topo battalion being formed. Turned out we both had map training and experience. I had taken map courses at Wayne State and Lawrence Tech and was employed by the Army Ma Service where I worked on maps of Siberia. I was immediately assigned to the editing section. I was then posted to go to the Army Specialized training program (to college). However quickly a new posting froze all personnel. We were to go overseas. We left from Hampton Roads VA on a new army transport ship, the A E Anderson. We sailed alone following a zig-zag course and landed in Casablanca. I was amazed at how modern the city was and “celebrated” my 21 birthday there. Soon we were boarding the 40 and 8's. That is a narrow track rail line with cars from WW1 and intended for 40 men or 8 horses. We traveled over the Atlas

Mountains and we could have walked faster than the train getting up and over the mountains into Algeria. We set up our plant in Affreville, a rail town halfway between Oran and Algiers. We did mapping of central and northern Italy, the Dalmatian coast (thenYugoslavia) and where the British wanted to invade and Southern France where the US wanted to land and did. We worked 10 to 12 hour days but still had some time for other activities. Affreville is in a valley. To the north was Miliana, a winter resort place for wealthy Europeans prior to the war. To the south was the Sahara Desert. Both places were within walking distance. I became "adopted" by a French family of a retired railroad engineer. In spite of both American and French officers billeted in their home they always had a bedroom for me where I often stayed instead of the barracks. Thru them I met many local people. One item we heard about was an error we made Italy where we showed a secondary road that turned out to be an old Roman aqueduct. Even with our latest multiplex equipment we missed on that. On the aerial photos it was man made, a hard surface and low to the ground. In November we sailed from Oran to Boston on the Santa Rosa and on arriving were

given a 21 day delay in route to group again at Fort Lewis, WA. This gave all of us a change to get home for Thanksgiving. We had done more than 500 maps while in Africa mostly for the Fifth and Seventh Armies. And now to the pacific. We left on the Matsonia and arrived in Honolulu. We were the first entire unit to be deployed from the European Theater to the Pacific we set up shop in a very modern three story building all underground. We were alongside the army air base, Wheeler Field. You had to take a long tunnel to access the 23 million facility and when you reached the end you were on the ground floor. I Often walked to work over the pineapple fields and then catch a ride for the tunnel. I was soon assigned with three others to an Army-Navy liaison group under navy control. There were three navy guys that were flown from Washington DC and we soon became friends. We kidded them about never being on a ship whereas we had been on three. Our job was to check aerial photos usable for mapping for mapping and show areas where we lacked for the navy to fly over and procure. We also screen intelligence information for mapping. We did maps of Japan, China, Korea, Manchuria, Okinawa and numerous of the Pacific

Islands. We were working on Operations Olympic and Coronet when the atomic bomb was used. The photos we had showed the devastation that occurred but I firmly believe it saved many many lives for both the Allies and Japan. One of them could be my own as our unit was being screened for combat trained. The Japanese lost control of the seas and thus were frantically training their army for homeland defense. Our invasion of Kyusha was scheduled for the fall. We even had maps showing which military units were to land where. Over 600 hundred maps of the pacific pacific were made. during my almost three years I was in a total of thirteen camps. One more item. After getting back to the USA, I was on a troop train approaching the Moffat Tunnel in the Rockies from the west when the train jumped the tracks. Fortunately it went to the right and ground to a halt against the side of the mountain. To the left was a small shelf with a ravine and river at the bottom. We were lucky! I was discharged on Jan 22, 1946. We held annual reunions all over the country for over 50 years. We held two in Detroit. The last was Ft Lauderdale in the fall of 2002. I am still in touch with

my best buddy. Of interest he and I after retirement both volunteer in pharmacy in a hospital. He in Oklahoma and me in Michigan. I had no combat but received the victory Medal, European African Middle Eastern Theater Ribbon, Asiatic Pacific Theater Ribbon and several unit commendations. In addition 4 overseas service bars and of course the Good Conduct Medal (I had them fooled on that one!) My primary unit designation was the 30th. Engineer Base Topographic Battalion. My worst memory was sleeping, or trying to, on the cold rainy wet grounds near Casablanca with no shelter or facilities. My best memory was the friendship and hospitality of both the French and Arabs in North Africa. April 21, 2009.

Harwood The house built around 1880 was home of Homer Harwood who published Warren's first newspaper, the Warren Watchman from 1880-1921.

Harwood, Arnold was the son of Ahaz and Polly carver Harwood, born in Rutland County Vt Aug 25, 1816. His father was born in Massachusetts in 1791 and his mother in Vermont in 1800. They settled in Marshall, Calhoun Co Michigan in 1839. Arnold moved to Richmond township, Macomb County in 1843, to Mt Clemens in 1844 where he worked until 1846. He bought a farm of forty acres in Warren Township which he partially cleared and sold, bought a farm of eighty acres, on which he cleared thirty, on which he lived for ten years. He was engaged in locating lands for a land company; located 12,000 acres for Gov. Crapo in 1852 and carried on his farm at the same time. He sold his farm in 1863 and purchased 126 acres of improved lands on section 4 where he now resides. He established and ran a lumber yard at Warren Station and in other ways has taken an active part in the development of the township. He was Justice

of the Peace in 1853; appointed Notary by Gov K.S. Bingham in 1855 which office he still holds; and Highway Commissioner in 1875. He was married in 1838 to Elizabeth C daughter of Frederick and Sarah A Higgins van Fleet, to whom four children were born. His family belongs to the M E Church of which Mr Harwood was a local preacher for a quarter of a century. He was a college graduate. He created a pond on his property. (M A Leeson 1882 History of Macomb County Michigan 852-857)

Harwood, Homer son of Arnold started the first paper in Warren called the Warren Watchman. According to Harold Stilwell Homer printed it in a building at the side of his father's lumberyard. When his father passed away, he ran the lumberyard and printed the paper. Stillwell said Homer sold a lot of different things at the lumberyard. The paper was a weekly paper. Homer ran a printing business and even did a cleaning business on the side. Need More Information

Hatch Charles F. Teacher at Center Line High School later became principal at Wolf Middle School. Charlie was almost one of our most beloved teachers and was well liked by everybody. I

had him for drafting he was fair and competent. He died February 1st 2020 with his daughter Nancy by his side in Trinity Florida. He was born to Anna Cavey and John Hatch March 21st 1932 in North Pownal Vermont. He graduated from Lincoln high school in June 1950. He married June Audrey Anderson on August 22nd 1952 in Warren Michigan and they lived together in Center Line for 40 years before relocating in Caseville Michigan then to Trinity Florida. Charles earned a bachelor's degree from Eastern Michigan University where he played football and baseball. He also earned his Masters degree in education from Wayne State University. He began his career as a draftsman at General Motors in Warren Michigan. There after he accepted a position as drafting teacher at East Detroit High School, and then accepted a drafting teacher teaching position at Center Line High School as well as assistant varsity football and versity baseball coach at Center Line High School in Centrer Line. He then became an assistant principle at Center Line High School and a principle at Bush Junior High School then Wolf Middle School. He taught night classes in drafting at Wayne State University and taught the first all female drafting class at Center

Line High School in the early 1960s. He was a member of the Center Line Lions Club and the Michigan Association of Secondary School Principals. In his honor Wolf Middle School opened the Charles F Hatch media center. He retired in June 1992 from Center Line school district after 36 years of dedicated service. He enjoyed running, sailing, softball, spending time with his late wife, children, grandchildren and golf. Charles was immensely proud of his family and leaves behind nothing but beautiful memories. He requested donations be made to Mount Calvary Lutheran Church in Warren Michigan in lieu of flowers.

Haynes August (Gus)Samuel Center Line High School 1962 married Mary August Samuel Haynes Sr, age 79, passed away suddenly on Wednesday, July 19, 2023. August was born on May 18, 1944, to August and Eileen Haynes in Detroit, Michigan. He graduated from Center Line High School in 1962, and later joined the Marine Corps from 1963-1967. He then started a career in roofing from 1969 until his retirement.
August left a mark on all who knew him. He was a husband, a dad, brother, grandpa, and a friend. He loved nothing more than spending time with his family and grandkids. He enjoyed having donuts and coffee with old friends and watching old westerns, Gunsmoke being his favorite. August had a way of making everyone he knew feel special in their own way. This is not goodbye but see you later and, in his words, “rock on”.

August is survived by his wife, Mary Haynes; his children, August “Gus” (Amanda) Haynes, Eric Haynes, Amber (John) Sweet, Adam (Lindsay) Haynes, Andrea Haynes; his stepchildren Robert (Daina)Decker, Kelly Decker, Joseph (Jennifer) Decker; Loved grandfather of 17 Grandchildren, 2 Great grandchildren along with many nieces, nephews and friends. He was preceded in death by his parents, August and Eileen Haynes; siblings Pat Mero and Leonard Haynes. Memorial visitation will be held on Friday July 28, 2023, from 3-5 PM at Rudy Funeral Home 25650 Van Dyke in Center Line with a Memorial service at 5 PM. Hazelton, Homer was one of our most colorful and visible community members. He went to college and became a teacher at Busch School in 1928. In the same year the first of the famous Busch Bands was organized by Homer Hazelton." Homer

borrowed money and bought a drug store Hazeltons Center Line Drug Store which was located at the old trolly turn around. He went back to school and learned pharmacy. He was a very active community member and ran several times for government positions. Hazelton's drug store was a community gathering place where one could always count on friendly service from Homer or his employees. It also had an ice cream parlor as did many others. Bought my first Boy Scout Handbook there. But his store had something extra no one else had. He put in a Hammond organ and often played it to the joy of customers. Homer also was on the commission that developed Memorial Park and placed a nice World War Two Memorial there. I am placing his obituary in my Newspaper articles book. He organized the first Warren Greater Chamber of Commerce. If anyone has more information on the Hazeltons please contact me so It can be written here.

Civil War Warren A memorial with his name on it and 29 other soldiers was stolen by the Warren Hysterical grave robbing gang in 2011 without just cause. They have stolen at least five memorials including a memorial to all veterans and those who died in attacks on our country. (Such as Pearl Harbor and 9-11) More memorials are now missing. They do not own the memorials or the cemetery. This was done in secret without a vote of the membership or a public hearing. Nothing was found wrong

with these memorials at a public meeting afterwords. This shows disrespect to our soldiers and those who died including 400 policemen and firemen. We veterans want these memorials replaced. Need More Information

Hendricks Father was assigned to St Clement church in 1868 through probably 1884 He spoke several languages which was good because at that time there were a lot of settlers here from Europe. At that time the parish extended from Woodward to Jefferson and from Eight Mile to Fourteen Mile. But the closest Catholic church was actually Ascension at Gratiot and six Mile Road. The record keepers one of which may have been him did not particularly strive to keep records in a clear readable form. When I transcribed the St Clement records many years ago it

was not uncommon to have to spend many minutes trying to decipher names. They were particularly negligent in making the first letter of the name readable.

Hendrickx, Henry was born in the province of Limburg, Holland; his parents were natives of North Brabant; father died in 1871, mother in 1852. Mr Hendrickx was educated in colleges in Belgium and Holland; after his father's death, he, with two brothers, came to the United states in 1872; continued studies at Cincinnati, and at Westmoreland County Penn.; settled in Warren Township where he established a large grocery house. In 1874 Mr Hendrickx married Miss Gertrude Raltz, daughter of John Joseph Raltz a native of Germany and farmer of Warren. They are the parents of five children. HOSTE, LAWRENCE F. Born on a 52-acre farm at the

southeast corner of Mound Road and Nine Mile Road, now the location of the Chrysler Mound Road Press Plant, Lawrence was the fourth child of Bernard and Catherine Dalton Hoste. His siblings were brother Bernard and sister Mary and Sophia. He and Barney Hoste opened the Hoste Electric shop in 1925 and it was continued until 1939 when Barney became a contractor and Lawrence continued in retail sales and electrical contracting. From his birth on October 22, 1897, he continued to live in the area and in 1936 served on the Center Line Charter Commission (with appointment to the Zoning Commission by Mayor Lynch following). He was a charter member of the Rotary Club and a past president of the group. One of his proudest moments was when he received the first license as a qualified electrician issued by Macomb County. He married Marie Peters and had four children Joseph, Ruth, Norbert and Ralph. Ruth became a DO.
